Covenants and Principles

Our Vision and Purpose

We are a caring and diverse faith community
That seeks to nurture and inspire each person's spiritual journey
While serving others in our commitment to peace and justice.

Our Congregational Covenant

Love is the doctrine of this congregation,
The quest for truth is its sacrament,
And service is its prayer.
To dwell together in peace with respect and understanding,
To seek knowledge in freedom,
To serve our fellows and humankind to the end that all souls shall grow together into harmony.
Thus do we covenant with each other and with our God,
By whatsoever name we worship.

Our Mission Statement

We the members of First Parish Unitarian Universalist - Canton commit ourselves:

- To provide for each other a compassionate, welcoming community, building on our heritage, honoring diversity and religious freedom, and encouraging personal and spiritual growth of adults and children through worship, social action, fellowship, and education.
- To inspire and promote reason, compassion, justice, and diversity in our community.
- To participate in the larger Unitarian Universalist community and work towards our vision of peace, social justice, and religious tolerance.
- To take affirmative and proactive action to remedy the results of discrimination.
- To promote the full participation of persons in all our activities, including membership, programming, hiring practices, and the calling of religious professionals, without regard to race, color, gender, gender expression, physical ability, affectional or sexual orientation, age, or national origin.

Unitarian Universalist Principles

(Adopted by the UUA in 1985)

Unitarian Universalist (UU) congregations affirm and promote seven principles:

1. The inherent worth and dignity of every person;
2. Justice, equity and compassion in human relations;
3. Acceptance of one another and encouragement to spiritual growth in our congregations;
4. A free and responsible search for truth and meaning;
5. The right of conscience and the use of the democratic process within our congregations and in society at large;
6. The goal of world community with peace, liberty, and justice for all;
7. Respect for the interdependent web of all existence of which we are a part.

Unitarian Universalist Sources

(Adopted by the UUA in 1985)

Unitarian Universalism (UU) draws from many sources:

- Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;
- Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;
- Wisdom from the world's religions which inspires us in our ethical and spiritual life;
- Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;
- Humanist teachings which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit;
- Spiritual teachings of earth-centered traditions which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.

Policy Regarding Disruptive Behavior

(Policy approved by the Parish Committee, December 29, 1998)

While openness to a wide variety of individuals is one of the prime values held by our congregation and expressed in our denomination's purposes and principles, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely express his or her beliefs or opinions is threatened, the source of this threat must be addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons.

There have been times when the disruptive behavior of an individual within the church building has led members to voice their concerns about one or more of the following:

1. Perceived threats to the safety of any adult or child;
2. The disruption of church activities;
3. Diminishment of the appeal of the church to its potential and existing membership.

The following shall be the policy of First Parish Unitarian Universalist of Canton in dealing with these issues;

1. If an immediate response is required, this will be undertaken by the Minister, and/or any member of the Parish Committee, and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspending the meeting or activity until such a time as it can safely be resumed. If further assistance is required the Police Department may be called. Anytime any of these actions are undertaken without the Minister being present, the Minister must be notified. A follow-up letter detailing what steps must be taken before returning to the activities involved will be sent by the Minister and the President to the offending party or parties.
2. Situations not requiring immediate response will be referred to an ad hoc committee of no less than three people appointed by the Parish Committee. The committee will respond in terms of their own judgment observing the following:
 - a. The committee will respond to problems as they arise. There will be no attempt to define "acceptable" behavior in advance.
 - b. Persons identified as disruptive will be dealt with as individuals; stereotypes will be avoided.
 - c. The committee will collect all the necessary information.
 - d. To aid in evaluating the problem, the following points will be considered:
 1. DANGEROUSNESS- Is the individual the source of a threat or perceived threat to persons or property?
 2. DISRUPTIVENESS- How much interference with church functions is going on?

3. OFFENSIVENESS- How likely is it that prospective or existing members will be driven away?
- e. To determine the necessary response, the following points will be considered:
 1. CAUSES- Why is the disruption occurring? Is it a conflict between the individual and others in the church? Is it due to a professionally diagnosed condition of mental illness?
 2. HISTORY- What is the frequency and degree of disruption caused in the past?
 3. PROBABILITY OF CHANGE- How likely is it that the problem behavior will diminish in the future?
- f. The committee will decide on the necessary response on a case-by-case basis. However, the following three levels of response are recommended:
 1. LEVEL ONE- The committee shall inform the Minister of the problem and either the Minister or a member of the committee shall meet with the offending individual to communicate the concern.
 2. LEVEL TWO- The offending individual is excluded from the church and/or specific church activities for a limited period of time, with reasons and the conditions of return made clear.
 3. LEVEL THREE- The offending individual is permanently excluded from the church premises and all church activities. Before this is carried out, the ad hoc committee will submit its recommendation to the Parish Committee. If it is decided that expulsion will take place by a two-thirds vote of the Parish Committee, a letter will be sent explaining the expulsion and the individual's rights.
- g. Any action taken under item (f) above may be appealed to the Parish Committee.

First Parish Unitarian Universalist Canton strives to be an inclusive community, affirming our differences in beliefs, opinions and life experiences. However, concern for the safety and wellbeing of the congregation as a whole must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of this congregation, our actions as people of faith must reflect this emphasis on security.

Exhibit A

The Code of Ethics for Working with Children

Adults and older youth who are in leadership roles play a key role in fostering the spiritual development of both individuals and community. It is therefore especially important that those in leadership positions be well qualified to provide the special nurturing, care, and support that will enable children and youth to develop a positive sense of self and a spirit of independence and responsibility. The relationship between young people and their leaders must be one of mutual respect if the positive potential of their relationship is to be realized.

Adults play a key role in assisting children and youth in development of their self-worth and their healthy identity as a sexual being. Children, youth, and adults may suffer damaging effects when their leaders become sexually involved with those they have been instructed to lead. Leaders must be careful to protect the children and youth they work with and to protect themselves and First Parish.

Therefore, to promote these goals and perpetuate this understanding, the undersigned agrees to the following:

1. To refrain from engaging in sexual misconduct as defined in the Policy for a Safe Congregation;
2. To refrain from engaging in behavior with children which constitutes verbal, emotional or physical abuse;
3. To refrain from the use of illegal drugs, alcohol or any other substances that would impair judgment or ability to function effectively in a leadership role with children or youth; and
4. To read the Policy for a Safe Congregation and agree to abide by terms thereof. Any failure by the undersigned to abide by the terms of this Code of Ethics shall result in the appropriate action of the response Team as defined in the Policy.

4. Each January the congregation certifies the membership to the UUA and includes the count in the Annual Report. UUA "fair share" is paid only for Active members. Inactive members are not counted for the purposes of counting membership.

Finances

Trusts and Reserve Funds

Ministerial Fund

The Ministerial Fund is a trust chartered by the Commonwealth of Massachusetts in 1825, funded originally by the sale of pews in the newly-built sanctuary. The Trustees must be members of First Parish, elected by the Parish, which is the sole beneficiary of income from the Fund. Though it is a legal entity separate from the Church, the Fund serves as a permanent endowment for First Parish. Decisions on investments and disbursements from the Ministerial Fund are the responsibility of the Trustees.

On an annual basis, the Ministerial Fund Trustees determine the amount to be disbursed during the church's next fiscal year. The disbursement amount is calculated as an average of the December 31 value for the previous five years and pays out approximately 5% of that average to First Parish.

Parsonage Fund

In 2007, First Parish sold its former Parsonage at 2 Old Coach Rd. and set aside net proceeds of \$322,290 in the Parsonage Fund, to generate investment income. The Parish Committee appointed an investment committee whose members are the same as the Trustees of the Ministerial Fund and directed them to manage the Fund with income as the objective. The Parish resolved in March 2007 that proceeds from the Parsonage Fund would be restricted to replacing the previous rental income from the Parsonage, but not more than 5% of the Fund. Notwithstanding that policy, the Parish has sometimes voted to use a portion of the Parsonage Fund either for capital improvements or to cover budget deficits (including in the 2009 – 2013 fiscal years), or could do so in the future.

Policies Relating to Finances

Finance Committee

The Finance Committee shall develop the congregation's annual budget in conjunction with the various committees, within the context of the financial realities and long-term goals, and present a budget to the Parish Committee for their approval by mid-May, and then to the congregation by the pre-annual meeting.

Stewardship Committee

The Stewardship Committee is an *ad hoc* committee responsible for providing members and friends with an opportunity to contribute financially so the goals of the congregation can be realized. The committee's primary responsibility is the annual stewardship drive, conducted beginning about March 1 and ending about April 30, in preparation for budget planning for the next fiscal year. The result of the campaign will be submitted to the Finance Committee, normally for their meeting(s) in May in preparation for the Annual Meeting in June. The Stewardship Committee is assembled by the VP Administration, who may chair the team or act as an *ex-officio* member depending upon circumstances.

Newsletter Policy

The responsibility for the editorial policies and practices of the First Parish newsletter rests with the Parish Committee. The administrative assistant is responsible for the production of the newsletter and for implementing Parish Committee policies.

The primary function of the newsletter is to inform the congregation of church programs and activities. Space and emphasis will be allocated according to the following priorities:

- Information about Sunday services
- Communications from the minister
- Information about religious education programs and classes (all ages)
- Information about all-church functions, e.g. annual canvass, congregational meetings
- Communications from the Parish Committee, the staff and church committees
- News of church members/friends; brief announcements of members' special needs
- District and denominational news
- As space permits, community news and announcements of activities of organizations of particular interest to the church or its members

Advertisements for ongoing business or professional services will not be published. The newsletter will accept a one-time announcement of a member's entrance into a business or profession.

Articles submitted by the announced deadline will be considered for inclusion.

Every newsletter item must have the name and daytime phone number of the person submitting the article.

The administrative assistant is the newsletter editor, and is granted the right to edit material that is too long or that contains incorrect grammar or spelling, and to refuse material that is not appropriate; however, every effort will be made to be inclusive.

Any questions or problems concerning the newsletter should be addressed to the administrative assistant.

Policy Relating to the First Parish Facebook Page

First Parish Unitarian Universalist has created a page on Facebook called "First Parish Unitarian Universalist-Canton (<https://www.facebook.com/fpuucanton/>). It is a Places Page, which differs from personal or group Facebook accounts, and is primarily maintained by our Facebook Administrator. This Page is another means for First Parish to interact with members of our congregation. It also has potential to be an important tool in attracting visitors by enabling them to discover us through mutual Facebook "friends" of First Parish. While there are many similarities to the church website, weekly mid-week announcements, and other media, Facebook lends itself to a less formal atmosphere as well as offering a relatively simple way for a greater number of individuals to express themselves by posting comments, photos, web links, etc.

This statement sets forth a number of guidelines for the content on the Facebook Page and likely will be subject to change as the technology changes. Other guidelines will need revision as we gain experience with this medium and learn the most effective use of the technology.

- The majority of the Facebook content should promote activities occurring at First Parish, activities in which members of church are participating, and events in the area that are sponsored by Unitarian Universalist churches or UUA affiliated organizations.
- Other types of content should include personal comments, photos, etc., from the Page administrators, and people who have "liked" the Page, and these customarily should be related to First Parish, Unitarian Universalism, members of our congregation, etc.
- The First Parish logo, colors, and typefaces should be consistent with the First Parish graphic guidelines and resemble our other media "branding" styles (to be defined).
- The First Parish statement of identity (vision and purpose or other statement) should be prominently displayed.
- The name of the minister should be easily accessible as well as her or his photo; however, it should be clear that administrator posts are not from the minister.
- The account owner needs to be registered with an email address similar to news@fpuucanton.org so that ownership role can be transferred if and when we have personnel changes.
- The contact information for First Parish should be prominently displayed; links to the First Parish website (<https://fpuucanton.org>) should also be easily accessible.
- Photos should be of a presentable quality, but this is not as critical as the requirements for photos on the website.
- If photos of children are posted they must comply with the photo guidelines contained in the "Policy on the Use of Children's Photographs" on page 40.
- Administrators should monitor the First Parish Facebook Page and remove any content that does not comply with the guidelines contained herein; habitual offenders may be banned from further contributions to the Page.

- Posting should be checked for inappropriate content on a daily basis.
- New content should be added by an administrator at least once per week.

In addition to the above guidelines which, as stated, may need revision over time, the following policies govern the content provided on the First Parish Facebook Page, and these policies should not require much revision over time. These are similar to our established guidelines for other electronic media content as well as just basic common sense. In addition to the First Parish Facebook Page administrator, one or more representatives of the Technology Committee will be designated as a Facebook administrator and share responsibility for monitoring the content that is presented on Facebook. These persons shall have full authority to create, delete, and maintain the content, provided that the content:

- Is maintained within the bounds of these Policies
- Is consistent with the Seven Principles of Unitarian Universalism
- Avoids slander, libel, violations of copyright, profanity, off-color humor, and advocacy of political candidates
- Does not reveal private personal information
- Does not advertise commercial businesses
- Presents information that is accurate and relevant
- When making announcements, concisely sets out the “Who, What, When, Where, Why, How, and How Much” of all items
- Is written in clear and grammatically correct prose
- Is updated on a timely basis

The person or persons maintaining the First Parish Facebook Page shall report to the Technology Committee, which in turn shall report to the Parish Committee.

All rentals shall have a Rental Agreement completed and signed, and fees, rent and deposit paid prior to the issuing of a key. In the case of a long-term rental, the first month's rent plus fees and deposit must be paid prior to the issuing of a key.

Youth Groups. There must be at least two responsible full-time adults to supervise any youth group. The ratio of adult to youth must not exceed 1:6.

Alcoholic Beverages. No alcoholic beverages are to be consumed on FPUU premises without specific, written permission. Alcoholic beverages may not be sold on the premises.

Food and drink are not permitted in the Sanctuary, Chapel, or Upper Parish Hall. Use of the kitchen is not permitted without additional rental of LPH/Kitchen space.

Audio/visual systems. Renters who wish to use the AV system in the Chapel or the Sanctuary must request and receive prior training.

Thermostat settings. Renters may not change thermostat settings. Arrangements will be made to ensure the heat is adjusted for the renters' use.

Furnishings are not to be relocated from any room. Any re-configuration of furniture must be done by the sexton. Renters may not remove any furnishings or equipment from FPUU. Renters may use folding tables and chairs if prior arrangements are made, and provided the tables and chairs are returned to their storage location after use.

The Yamaha piano in the sanctuary may not be moved under any circumstances without the express consent and physical presence of the music director or his designee. A fee for tuning the piano may be assessed. Under no circumstances is the piano to be tuned other than under the express direction of the music director.

Candles. Renters or their guests may not use candles or open flame of any sort in any part of the FPUU facilities; they are a fire hazard.

Smoking is prohibited everywhere in the FPUU building; smoking on the outside grounds is permitted only in the area near the receptacle for smoking waste, by the side door to the Parish Hall.

Decorations or hangings may not be affixed anywhere in the building, including the Sanctuary, Chapel, Lower Parish Hall, Upper Parish Hall. Renters may not use tape, other adhesives, thumbtacks, nails or screws on the walls or woodwork. In the event that decorations are an integral part of the purpose for which the space is being rented, special arrangements must be made through the Building and Grounds Chair or his/her designee, and an additional deposit may be requested to protect FPUU from repair costs.

Rental area. Renters must remain within the rooms rented per the Rental Agreement and the rest rooms. If a renter uses a part of the building for which s/he has not contracted, the security deposit may be forfeit.

Parking is allowed only in designated, lined spaces in the parking lot. There are 50 parking spaces. Traffic is allowed to move in one direction in the circular driveway, per order of the highway and police departments. Parking is allowed along the circle of the driveway provided no vehicle blocks access to the building or throughway.

It is expected that users will leave FPUU facilities in good condition. The FPUU sexton will be responsible for cleaning the building and grounds, but renters are expected to leave the premises tidy and undamaged, and to take all trash out to the dumpster at the end of the parking lot. If there is damage, FPUU may request compensation to cover the cost of repairs and forfeit of security deposit. It is the renter's responsibility to wash and put away dishes and equipment used in the kitchen.

Contact person during rental time. For long term rentals, contact Dave Bryant. For other rentals, contact the Building and Grounds chairperson.

General Policies

1. FPUU facilities are available primarily for the use of FPUU - Canton, its parishioners, its prescribed boards and committees, and other FPUU or UUA-sponsored groups. However, the use of the facilities by other organizations may be permitted when such use does not interfere with the programs of FPUU, subject to the specific policies and regulations set forth below.
2. Preference in the use of FPUU facilities shall be given to organizations or groups formally associated with FPUU, including, but not limited to, the minister and staff, FPUU officers, committees and their activities as listed in the bylaws, Junior and Senior Youth Groups, and FPUU-sponsored groups and committees.
3. Second preference for use shall be given to members of the Parish who wish to use FPUU facilities for a non-FPUU related activity (such as a family gathering).
4. Third preference for use is given to individuals and non-profit organizations when facilities are available, when the use does not interfere with FPUU-sponsored activities, and if the use is in harmony with the goals and philosophy of FPUU.
5. Functions by non-FPUU related groups involving fund raising will not normally be approved. However, if the Parish Committee judges that the project is one that merits the support of FPUU, and other suitable space is not available, it may approve the request.

Security Deposits

A security deposit or portion thereof may be withheld for the following reasons:

- Use of FPUU areas outside of those parts of the building and/or grounds (rental area) for which the renter has contracted.
- Use of the FPUU building and/or grounds for a period longer than the contracted rental period. A rental period begins when the renting party enters the building and ends when the renting party, or the last person, leaves. This includes rehearsal time, setup and breakdown time, and time required for moving instruments and/or other equipment in and out of the church. Any renter who stays significantly over the amount of time agreed upon in the Building Usage Agreement may forfeit the security deposit.
- The Church Administrator will hold the security deposit and, upon completion of the rental, will determine, with the advice of the Building and Grounds Chairperson and/or the sexton, whether damage has been incurred or any overtime or rental area charges accrued which require use of the security deposit. If none has occurred, then the security deposit will be returned to the renter within 14 days. If damage or overtime or use of more than the rental area have occurred which require use of the deposit, the renter will be notified within 14 days.

Procedures

Persons interested in renting Religious facilities should send an email to office@fpuucanton.org or call the FPUU office at 781-828-0296. The Rental Coordinator will contact you to review your rental request.

Channels of Communication and Decision-Making

Congregation members and staff will always speak with the best intentions. Communication must be respectful and gracious. This is especially important in written messages, which may be passed on to others. Observance of these principles will avoid most misunderstandings.

Ideas

If you have an idea for a new project, activity, program, committee, or group:

1. If you're not sure where the idea fits:

Talk to the minister.

Talk to a Parish Committee member.

2. If the idea seems to fit within a committee area:

Attend a committee meeting.

Talk to the committee chair.

3. If the existing committee decides to take you up on the idea:

As it is the congregation policy to encourage new ideas and projects that are consistent with UU principles, the Minister can provide guidance about how to proceed. The idea may have been circulated but simply be waiting for a volunteer to begin. The idea may be one that the Parish Committee should review, and you may be asked to put your idea in writing and submit it to the Parish Committee. You can attend the Parish Committee meeting to hear what happens.

It's also OK to bring your idea to any Parish Committee member to start the process, but the Minister may be more likely to know about other people with similar interests who may be in the process of developing a similar idea.

If you have an idea for a fundraiser:

- Discuss your idea with others who are willing to help with the fundraiser. You need to have a chair and four other volunteers committed to working on the fundraiser in order to proceed.
- For a fundraising event, check availability of dates with the Administrative Assistant and the Minister, and select a tentative date.
- Complete the Fundraiser Worksheet on page 66, and submit it to the Parish Committee for discussion and formal approval.

Concerns

If you have a *concern* with a member of the congregation:

1. It is expected that members, friends, staff, and the Minister will seek to maintain good relationships with others. Conflict can arise even in the friendliest of settings and even among people who desire to maintain a positive relationship. Our concern resolution process does not "adjudicate" a "dispute," but promotes the development of healthy relationships.
2. It's important for members of our community to understand that being "civil" in someone's presence is essential but not sufficient. It damages the fabric of community when someone harbors concerns without resolving them appropriately. To support healthy relationships, the congregation encourages direct communications and discourages anonymous complaints. It is inappropriate to voice concerns to multiple others without first checking facts and assumptions.
3. Assume the best intentions and seek additional information from the best information source:

If your concern is about a person or that person's comments or behavior, the best information source is likely that person.

Speak directly to that person who is the focus of your concern before voicing your concern to others. If you assume the best intentions and keep in mind that your information may be incomplete, it will be easier to speak directly, because you will be asking first for more information and can begin by saying that you appreciate that the person has the best interests of the congregation at heart.

If you nonetheless feel unable or unwilling to speak directly to the person, speak to the Minister who will do his/her best to alleviate your concern, or will refer you to someone in a position to help you.

If you have a concern with the Minister:

1. Assume that the Minister is acting with good intentions and is concerned about the well-being of the congregation and its members, including you.
2. It is best for the well-being of the entire community that you speak directly to the Minister if you feel able. The Minister is trained and experienced in hearing concerns and is open to constructive criticism, may be able to help you resolve your concern quickly and in a way that fully satisfies you.
3. If you feel unable or unwilling to speak directly to the Minister, or have spoken to the Minister and feel your concern is unresolved, then speak privately with a member of the Committee on Ministry. That person will take the concern to the Committee on Ministry for discussion.
4. The Committee on Ministry is made up of diverse individuals who can give the Minister feedback from their different perspectives. Together the committee members advise the Minister. Ministers are flexible and actively seek growth and skill improvement. Discussion of your concern can help the Minister and the congregation.

5. The Committee discussion usually involves the Minister. This is recommended practice in UU congregations, and encourages the phrasing of concerns in ways that are constructive and compassionate.
6. The member you spoke to will come back to you with more information that may resolve your concern. In some situations, the member may ask you to sit down and talk with the Minister directly, with a committee member present.
7. If you still feel your concern has not been fully resolved, you may ask to speak with the entire committee without the Minister present. In this situation, the committee will also speak to the Minister without you present, and then may ask you both to come into the room for a facilitated conversation.
8. Anonymous transmission of concerns is discouraged. Sometimes people do not wish to be identified because they do not wish to impair their standing with the Minister, yet (as with anyone) it is more respectful to be direct, and ministers appreciate direct communication. A member of the Committee on Ministry will relay your concern even if it is anonymous, but most often a concern cannot be fully understood or responded to without complete information.
9. The committee and the Minister are experienced in maintaining confidentiality so that you and the Minister can develop your relationship in a positive way. An open conversation guided by the Committee on Ministry (or a single member of the committee) can be a transformative experience from which member, Minister, and congregation benefit.

If you have a *concern* with a staff member other than the Minister:

1. Assume that the staff member is acting with good intentions and is concerned about the well-being of the congregation and its members, including you.
2. It is best for the well-being of the entire community that you speak directly to the staff member. Often a concern is the result of incomplete information or a misunderstanding, and it may be possible for the staff member to resolve your concern quickly and with gratitude for the respect you show in speaking directly.
3. If you feel unable to speak directly to the staff member, or have spoken to the staff member and feel your concern is unresolved, speak directly to the Minister.

The Minister may have information that will resolve your concern, or may be able to obtain it readily.

The Minister may offer to facilitate a conversation between you and the staff member.

The Minister, after investigation, may decide to take action under the Personnel Policy.

The Minister will always let you know how your concern was handled.

4. If, after talking with the Minister, you feel that your concern is not resolved to your satisfaction, tell the Minister that you would like to have the concern considered by the Parish Committee.

The Parish Committee will meet to consider the concern.

You may be asked to present your concern to the Parish Committee, and the staff member may also be asked to meet with the Parish Committee.

The Parish Committee will make a decision about how to resolve the matter, and may or may not make a recommendation to the Minister. The chair of the Parish Committee will let you know how your concern was resolved.

Bad Weather Cancellation Policy

The Minister, Parish Committee President, Music Director, and Director of Religious Education will consult the night before and morning of a Sunday when bad weather threatens. In making a decision, they may check with the fire department and police for updates on driving conditions and check the weather reports. The decision will be based on public safety recommendations, driving safety, walking safety, and availability of parking. The cancellation decision will be made by early Sunday morning (or earlier if it is obvious sooner).

Notice of cancellation will be given to members via WCVB TV, the WCVB website, our website, and by voicemail on the main number.

Religious Education for Children

First Parish seeks to create an environment that is safe, welcoming, and loving for everyone who participates in our Religious Education program. This is a place where everyone should have a voice and be able to speak openly and freely, without fear of judgment. By exploring together, we work to nourish a love of learning, a sense of curiosity, and the foundations for critical thinking among our children and youth. Our Religious Education program emphasizes ethical and spiritual growth through a variety of curricula rooted in the Seven Principles and Six Sources of our Unitarian Universalist tradition. Through learning and working together we seek to create a more just world.

General Information

What we offer

Nursery Care: First Parish provides free childcare for infants and toddlers from 10:15 to 11:45 AM each Sunday so that parents/guardians can attend the worship service.

Group Worship: Each Sunday, everyone comes together, young and old, to worship with one another before the start of Religious Education programming. Children and youth get the opportunity to be part of the larger congregation, helping out by singing hymns, lighting the chalice, and leading the recitation of our covenant.

Religious Education Classes: First Parish offers Religious Education classes for a variety of age levels. These courses explore our Seven Principles and Six Sources and provide our students with the opportunity to grow in spirit. We seek to empower students to explore their own beliefs and to develop a strong sense of self.

Family Fun Nights: Every 3rd Friday of the month, First Parish hosts a Family Fun Night. Coming together in beloved community, we enjoy each other's company while watching films, playing games, sharing food, or participating in a workshop.

Our Whole Lives (OWL) Classes: Every other year we offer a comprehensive human sexuality course. The course addresses a full range of topics and promotes sexual health, the development of healthy relationship with others, self-worth, responsibility, justice, and inclusivity in a safe, healthy, and progressive environment.

The Seven Principles

There are seven principles that are celebrated by all Unitarian Universalist congregations. These principles make up the framework and are the foundation for all of the teachings in the Religious Education Program.

1. The inherent worth and dignity of every person (Every person is important.)
2. Justice, equity and compassion in human relations (Be kind in all you do.)
3. Acceptance of one another and encouragement of spiritual growth in our congregations (We're free to learn together.)

4. A free and responsible search for truth and meaning (We search for what is true.)
5. The right of conscience and the use of the democratic process within our congregations and in society at large (All people need a voice.)
6. The goal of world community with peace, liberty, and justice for all (We seek to build a fair and peaceful world.);
7. Respect for the interdependent web of all existence of which we are a part (We must care for the Earth.)

Safe Congregation Policy

First Parish makes every effort to create a safe and nurturing environment for its children. Every teacher in the Religious Education Program must sign an agreement that they have received a copy of and will abide by the terms of our Safe Congregation Policy. The Safe Congregation Policy mandates, among other things, that (1) each teacher in the program be CORI checked, (2) all classes be conducted with open doors and unobstructed windows, (3) each class have at least two adults present in the classroom at all times. The Director of Religious Education circulates during class time on Sunday mornings to ensure that all the needs of the teachers and students are being met. First Parish has a Sexual Misconduct Response Team established to hear reports of any misconduct and to take appropriate action, when necessary.

Refer to "Policy for a Safe Congregation" on page 24.

Caring Circle "I Can Help" Card

I CAN HELP

From time to time we need to ask members and friends of First Parish Unitarian Universalist – Canton to lend a hand to someone. The more of us who volunteer to help, the less often any individual will be called on – and so the work and love is shared among all of us. We are building a database of people who can help and what they are able to do.

When someone is ill, injured, has a new baby, or when there is a death in a family, the community rallies to support them. Little things add up to make a real difference. If you can do one or more of the things listed below, and are willing to be called on (and you have the right to say it's not a good time if you cannot help at the time you're asked to help), please check the appropriate box below.
